ELIGIBILITY

The tournament is open to all league bowlers with a validated average at participating centres. To enter the tournament, bowlers simply need to notify their centre management and pay their registration fee (see below for details on fees). Once entered bowlers are responsible for submitting the scores from their first three games, and total Pins Over Average each week in order to be eligible to make the finals. To enter the scratch tournament, bowlers must meet or exceed 190 average minimum.

HOW THE TOURNAMENT WORKS

- The tournament runs from October 28, 2018 to April 7, 2019.
- Each week, after bowling, submit your scores to centre management.
- All scores will be validated by centre management before the entry is considered official.
- Tournament scoring is based on Pins Over Average (for 3 games of league play that day) (POA).
- Top 10% of bowlers from tournament at each participating centre with the highest POA will qualify for the finals to held April 28, 2019 (location TBD). A maximum of 20 bowlers from each centre will qualify.
- No Bowl Offs or Declared Scores can be used.

FEES

There are two ways to enter. 1) Pay \$10 for a 10-week qualification period and receive one entry into the Las Vegas draw; or pay \$20 for a 20-week qualification period and get five entries into the Las Vegas draw. Separate fees are required for the regular and scratch tournament. Bowlers may enter one or both tournaments. Fee must be paid upon tournament registration.
